www.foundit.co.nz

Find parts fast with Foundit. Established in 2003 Foundit has quickly become the standard for fast and easy to use parts location and ordering.

Every day (and night) parts people find the parts they are looking for.

- ✓ Fast, easy to use, with support at hand
- ✓ Neutral, with multiple supplier franchises
- ✓ List and sell all stock, old and new
- ✓ Save time and money, one tool does this
- ✓ There are no commissions or sales fees

It's easy to get started. Make contact with Foundit, online or give us a call. We will set you up with a trial. To get the most from your trial we'll also arrange to get your stock loaded on to Foundit as well. Start selling stock immediately.

To give it a shot, go to

be there in a flash

For Dealers

- ✓ To buy - Find parts quickly and easily
- ✓ To sell - Your parts can be sold online

For Suppliers

Supporting your outlets improves the bottom line. Save time through having information easily at hand for them (and you).

- ✓ Smarter stocking with better knowledge
- ✓ Move all stock, old and new
- ✓ Wider market for your parts

Wanted List

For Dealers, Suppliers and the public, the Wanted List is the place for requests.

Looking for a particular part?
Looking for a special build?

If it's got a number then pop your request on the Wanted List. No part number? Just describe your requirements, and even include pictures. Foundit members will be in touch. Easy!
