Power Farming – Overnight, every night, stock updated to ensure accuracy

Power Farming Wholesale Limited is a fully independent and privately owned group of companies, which has a three-generation history of serving the New Zealand and Australian tractor and machinery markets.

Power Farming Wholesale Limited operates as four main trading entities:

[Power Farming Wholesale Limited](#) – wholesale distribution in New Zealand.

[Power Farming New Zealand Limited](#) – retail distribution in New Zealand.

[PFG Australia Pty Limited](#) – wholesale distribution of all the company's tractor and precision mowing equipment brands in Australia. Two new divisions KvAgriculture and GregoireVinestar were formed in mid 2007 with the exclusive distribution rights for both farmyard and vineyard Kverneland agricultural machinery products. These divisions are fully supported by the Group Parts, logistics, service and finance teams of PFG Australia.

[Howard Australia Pty Limited](#) – a Sydney based supplier of cultivation equipment, mowers, front-end loaders, seeders, and feeder / spreader equipment.

Collectively, these four trading operations generate an annual turnover of approximately \$250 million and employ around 400 people.

The various markets are served from strategically located distribution hubs in Morrinsville, Christchurch, Brisbane, Sydney, and Melbourne.

Power Farming Wholesale Limited also owns a substantial part of its New Zealand dealer network, together with a specialised engineering operation based in Palmerston North, New Zealand.

Fleetparts Australia: message from Mike at Fleetparts

When you can't find that part in New Zealand, we may be able to help. Remember that through Fleetparts, we have access to Massey, McCormick, Case, New Holland etc., you name it, plus Truck and Machinery Franchises.

Click on the **Find Franchise** button on Foundit and key the word "Fleetparts". Hit the **Inquiry** button and send us a note; part number and description, P & A and we'll always go out of our way to help you. The part you need may only be a day or two away.

New Zealand Dealers shop at Fleetparts Dealer prices.

Best wishes from Mike Calcutt

Assemblies

If you have the odd engine, front axle assembly, gearbox or diff lying about your workshop, why not put it on Foundit? We've been told there are lots of assemblies lying around, especially in Inglewood, Wairoa, Parnassus, Goodwood, and Waimate.

Simply use the **Load Machine** facility. If you are unsure what to do, phone me and I'll help you - might as well have the goods up for SALE. Pat at Foundit - FREEPHONE 0800 368 6348.

Stock Files

It's the season to make sure stock files are up to date. What's common to you may not be to another Parts person in another dealership. Make sure that when anyone looks for a part that they find it.

Sparex

Driving Agriculture

Sparex is a world leader in the supply of Replacement Parts and Accessories for agricultural machinery and tractors.

Currently, on Foundit, Sparex has listed Hesston (Agco) baler parts, Fiat and New Holland tractor parts and Busatis sickle bar mower parts.

Sparex has been importing genuine and after-market parts for Fiat and New Holland. These parts are carried under both the genuine part number, and Sparex part number. For parts not listed on Foundit please log onto www.sparex.co.nz. The range of parts that Sparex carries is extensive; the largest range of alternative parts available for Fiat and New Holland in New Zealand.

Our extensive range also covers parts for all major tractor brands including – David Brown, Deutz, Fiat, Ford, CNH (Case New Holland), Case-IH (International Harvester), John Deere, Leyland Marshall, Massey Ferguson (with its Perkins engines), Zetor as well as a range of various 'Compact' tractors.

Sparex also stocks an extensive range of parts for the TE20 tractor and Fordson tractor, to service the market demand from 'hobby' restorers.

Our Accessories line covers the diverse range of parts that a farmer, mechanic or repair shop might need including rotating beacons, hand tools, trailer parts, hydraulic hoses and fittings, PTO (Power Take Off) parts, tractor seats, nuts and bolts of almost every size and description and many, many more.

Our 'All Seasons' range offers earthmoving parts – Tines, Rotary Hoe Blades, Cultivator parts, Cutter Bars and Knives, Seed Drill parts, Mower Blades, Foraging Blades and Shear parts as well as Plough parts ie. Mouldboards, Discs, Reversible Points etc.

Alongside Sparex, we also run Hardi Spray Equipment which offers a range of outdoor power equipment including:

- Petrol engines
- Generators
- Water blasters

Sparex have 4 fully stocked warehouses in New Zealand: Onehunga in Auckland, Frankton in Hamilton, and Christchurch to cover the South Island. Recently Sparex has moved to new premises in Feilding to service the lower North Island.

For more information, contact your local Sparex branch:

Auckland	0-9-634 4121
Hamilton	0-7-847 7585
Feilding	0-6-323 7329
Christchurch	0-3-365 1960

Or visit www.sparex.co.nz

Contact Pat on 0800 368 6348 with any amendments to your Foundit Site Details.
